In supporting the recommendation of the Deputy Commissioner the Director of Food Supplies has requested that the objection raised by the Auditor may be waived and that the clerks in question may be granted the full Guaranteed pay (i.e. Rs 40/-) of the posts with effect from the date on which they were appointed.

Subject:- Retrenchment order No.31/Accts. dated 3-7-1944 of the Auditor & Accounting Officer, Food Supplies Department for recovery of Rs.367-2-0 from the pay of the Depot Clerks and Accountant of the Rationing Office, Tumkur Town.

I have the honour to state that the Deputy Commissioner, Tumkur reports that the Auditor & Accounting Officer, Food Supplies Department has issued the above Retrenchment order on the ground that by the application of the Mysore Service Regulations, only Deputation Allowance at 20% in addition to the pay of the officials is admissible, and not the fixed pay of the appointments drawn for them. The Deputy Commissioner states that in view of the heavy work and responsibility attached to these posts, it is quite necessary to allow them the full sanctioned pay of the appointments, and not a deputation allowance of 20% of their previous pay. In supporting the recommendations of the Deputy Commissioner, I have the honour to request you to kindly obtain sanction of Government to waive the objection raised by the Auditor and to grant them the full sanctioned pay of the post admissible under the Mysore Service Regulations with effect from the dates on which they were appointed

2. I also request that pending final orders of Government in the matter, the Comptroller may be kindly authorised to pass the pay bills of these establishments at the rates hither-to drawn.

3. A copy of letter No.FCF.287/44-45 dated 25-8-1944 from the Deputy Commissioner, Tumkur District in the matter is enclosed for the information of Government.

Letter No.FCF.287/44-45 dated 25th Aug.1944, from the Deputy Commissioner, Tumkur District, to the Director of Food Supplies in Mysore, Bangalore.

Re:- Retrenchment order No.31, Accounts dated 3-7-44, for recovery of Rs.367-2-0

I have the honour to state that Auditor and Accounting Officer, Food Supplies, Bangalore has issued the above retrenchment order for the recovery of the above sum from the pay of the Depot Clerks and Accountant of the Rationing Office, by the application of M.S.R. Rules that only deputation allowance at 20% in addition to the pay of the officials is admissible, and not the fixed pay of the appointements drawn by him. The appointments against which these memos were posted are of a special nature involving more work and responsibility. Considering the importance of the duties, the Government in their order No.2365-8/A.112-43-5 dated 25-10-43 have sanctioned and fixed a pay of Rs.40/- plus Rs.5/- to be paid to each of the five depot clerks and the Accountant. Instead of appointing raw hands against these special posts and paying the sanctioned pay of Rs.40/- plus Rs.5/- some of the officials, acting, temporary working in the Revenue Department without any substantive places have been preferred, taking into account the past service and the experience gained by them in maintaining accounts and their capacity in coming up with the entire work and responsibility attached to the posts. Even though M.S.R. Rules are to a little extent applicable in determining the pay of these officials, since there is provision in the above said G.O. that pay at Rs.40/- plus Rs.5/- may be paid to each of the incumbents, the pay drawn by the officials is in accordance with the order.

The depot clerk's post is a responsible one involving risk. Apart from the financial risk attached, only one clerk is sanctioned to each depot, he has to discharge duties both as the manager and bill clerk, which is heavy. As such, officials possessing experience were selected in preference to recruits. Similarly, the allocation of work entrusted to the cashier and accountant of the Rationing Office is also heavy as he has to attend to all general correspondence relating to rations of food grains and attend to compilation of accounts and preparationof returns connected with the depot transactionsin the urban area. In order to cope up with the work, he has to work overnight. If these officials are to be paid only 20% of their pay as extra allowance, the remuneration given will be quite inadequate to the amount of work turned out by them.

I therefore request you to kindly recommend the above cases to be treated as exceptions not coming under the purview of the provisions of the M.S.R. Pending receipt of definite orders in the matter, disbursement of the pay of the officials on the basis of fixed pay of Rs.40/- plus Rs.5/- may be ordered, as the pay of the officials for the month of July 1944 have not yet been drawn and disbursed. A copy of the objection received from the Auditor and replies thereon is enclosed for ready reference.
